Welcome to Wok Chop 'n Grill @ Ashgrove

Open to the public • Members & guests welcome

For more than 85 years, Ashgrove Golf Club has been part of the local community, bringing people together through a shared love of golf, good food and great company.

Today, Wok Chop 'n Grill @ Ashgrove continues that tradition by offering a relaxed dining experience overlooking one of Brisbane's most scenic courses.

While the fairways may draw the golfers, our kitchen is here for everyone, members, locals and visitors alike.

Our menu blends Classic Club favourites with fresh WOK n' Grill dishes, combining hearty Australian staples with the vibrant flavours of Asian cuisine.

Whether you're in the mood for a traditional steak, a casual burger, or something from the wok, there's plenty here to suit every appetite.

Many of our guests join us after a round of golf, while others simply drop in to enjoy a meal with friends, a drink at the bar, or a quiet dinner with a great view.

Whatever brings you here, our goal is simple - to create a welcoming place where good food, good conversation and a relaxed atmosphere come together.

So settle in, enjoy the view across the course, and let our team take care of the rest.

Enjoy
