6 Day Membership	\$1,299
5 Day Membership	\$1,149
9-Hole Flexi Membership	\$929

Prices include applicable Golf Australia, Golf Queensland, GA Connect, insurance and affiliation components where those components apply to the membership category. *Competition fees, cart hire, private lessons, guest green fees, food and beverage purchases, pro shop purchases and other incidental charges are not included unless expressly stated.*

Frequently asked questions

What is the Ultimate Membership Offer?

It is a limited-time membership offer designed to welcome eligible new and returning golfers to Ashgrove Golf Club. The offer includes promotional membership pricing, the usual \$200 nomination fee waived, and \$100 club credit to use at the Club.

When does the offer start and finish?

The offer opens on 1 June 2026 and closes at 11:59pm on 31 August 2026, unless Ashgrove Golf Club withdraws or amends the offer.

How long does the membership run for?

Membership runs from the date your application is accepted and payment is received through to 31 August 2027.

What does "up to 15 months of golf" mean?

Members who join at the start of the offer period receive the full benefit through to 31 August 2027. If you join later in the offer period, your membership still ends on 31 August 2027. No further pro-rata discount applies under this offer.

Who is eligible for this offer?

The offer is available to new golfing members and former Ashgrove Golf Club golfing members who have not held a financial golfing membership at the Club at any time since 1 September 2024.

Can current members transfer to this offer?

No. Current financial golfing members are not eligible to transfer to this offer, and the offer cannot be used to replace, discount, refund or offset an existing membership subscription.

I was a Social Member. Can I apply?

Absolutely! A person who has only held Social Membership is eligible, provided they have not held a financial golfing membership during the relevant period.

What membership categories are included?

The offer applies to Full Membership, 6 Day Membership, 5 Day Membership and 9-Hole Flexi Membership only. Intermediate, Junior, Social, corporate arrangements and other categories are excluded.

What is included in the price?

Your membership includes the playing rights attached to your selected membership category and applicable Golf Australia, Golf Queensland, GA Connect, insurance and affiliation components where relevant.

Is the \$200 nomination fee waived?

Yes. The usual \$200 nomination fee is waived for eligible applicants who join during the offer period. The waived fee has no cash value and cannot be transferred, refunded, credited or exchanged.

How does the \$100 club credit work?

Eligible members who join under the offer will receive \$100 club credit. It can be used at the bistro, bar or pro shop, subject to the Club systems and procedures in place at the time.

What can I use the \$100 credit for?

Use it for a meal at the bistro, drinks at the bar or purchases in the pro shop. Why not bring your family or friends down for a meal and introduce them to your new Club?

What can't the \$100 credit be used for?

The credit cannot be redeemed for cash, transferred to another person, or used to pay membership subscriptions, competition fees, affiliation fees, PayAsYouGolf fees or account charges.

When does the \$100 credit expire?

The \$100 club credit must be used by 31 August 2027. Any unused credit will not be refunded.

When will the \$100 credit be applied?

It may take a reasonable period to be applied after your membership application and payment have been processed.

How do I apply?

Applications must be submitted through the Club's approved online membership application process, currently via MiClub, or in person at the office.

Does payment mean my membership is automatically approved?

No. Submitting an application and making payment does not automatically guarantee final approval. Membership applications remain subject to Ashgrove Golf Club's normal approval process under the Constitution, By-Laws and membership procedures. This can take up to 4 weeks from the date of application and payment.

Can I play before formal approval is complete?

Once your application has been submitted, payment received and the Club has processed your application, you may be granted interim playing rights pending formal approval. Interim rights may be withdrawn if the application is declined or if Club rules, policies or reasonable directions are breached.

What are the key category restrictions?

6 Day Members are not entitled to free golf or competition access on Saturdays. 5 Day Members are not entitled to free golf or competition access on Saturdays or Sundays. 9-Hole Flexi Members are limited to the access times, booking conditions and daily hole limits applying to that category.

Can I enter competitions?

Competition access depends on your selected membership category, the Club's competition schedule and availability. Competition fees are not included unless expressly stated.

Do I receive an Australian handicap?

Eligible golfing members receive access to Golf Australia affiliation, GA Connect and an Australian handicap, subject to the rules and requirements of Golf Australia, Golf Queensland and Ashgrove Golf Club. Handicap activation or transfer may take a reasonable period after your membership has been processed.

Do I need to book online?

Yes. Members must make online bookings in accordance with Club procedures and check in with the Pro Shop before play.

Is tee time access guaranteed?

No. Access to tee times is subject to availability, course conditions, competitions, events, maintenance, weather, safety requirements and operational needs.

Are instalment payments available?

Periodic payment options may be available through PayAsYouGolf or another approved provider. Any instalment arrangement is subject to the terms, fees and approval requirements of that provider.

What happens if instalment payments are missed?

The member remains responsible for ensuring all payments are made in full and on time. If payments are not made as required, the Club may suspend playing rights, booking rights, competition access and other benefits until the matter is resolved.

Can I cancel and receive a refund?

Membership fees paid under this offer are generally non-refundable, except where required by law or where the Club determines otherwise in accordance with its Constitution, By-Laws or policies.

What if I don't use the membership as much as I expected?

No refund or credit is provided for non-use, lack of preferred tee times, weather interruptions, temporary course closures, course works, personal circumstances, relocation, change of mind or choosing not to use the membership.

Can course works or bad weather affect access?

Yes. Course access may be affected by weather, maintenance, renovations, safety requirements, competitions, events, public holidays, course works, temporary greens, temporary tees, altered routing or other operational needs. These changes do not entitle a member to a refund, credit or extension, except where required by law.

What conduct is expected of members?

Members are expected to behave respectfully towards staff, contractors, volunteers, other members, guests and visitors. Members must also follow Club rules, golf etiquette, pace of play requirements, dress standards, responsible service of alcohol requirements, course care expectations and reasonable directions issued by Club staff or officials.

Can membership benefits be transferred?

No. Membership benefits, including playing rights, member discounts, booking access, competition access, the waived nomination fee and club credit, are personal to the member and cannot be sold, transferred, assigned, shared or exchanged.

What happens if there is an error in promotional material?

Ashgrove Golf Club will take reasonable care to ensure promotional information is accurate. If an error is made in pricing, inclusions, eligibility or campaign material, the Club may correct the error and apply the correct terms.

Where can I get help choosing the right category?

Contact Ashgrove Golf Club and the team can help you understand the available categories and which option may best suit how often you want to play.

Ready to join?

Applications are available online via the Club's approved membership application process. For assistance choosing the right category, visit www.ashgrovegolf.com.au, call (07) 3366 1842, or speak to the team in person at Ashgrove Golf Club, 863 Waterworks Road, The Gap.
