**ASHGROVE GOLF CLUB**

**Two Exciting Announcements in Course Corner.** Brought to you by Simon Putral, AGC Greens Director

## Review of Club Management Structure

The Board have recently reviewed the Clubs management structure as part of its strategy of continuous improvement, streamlining processes and maximising the efficiency of resources.

Michael Ronan who has served as Operations Manager for the past 6 and a half years has been appointed General Manager. Newly appointed Course Superintendent, James Melville will now report to Michael as opposed to directly to the Board which was the case under the old structure.

We look forward to seeing what new heights the Club can be taken to under this new arrangement.

Please join me in congratulating Michael and James on their new roles.

Regards  
Paul McLennan  
AGC President

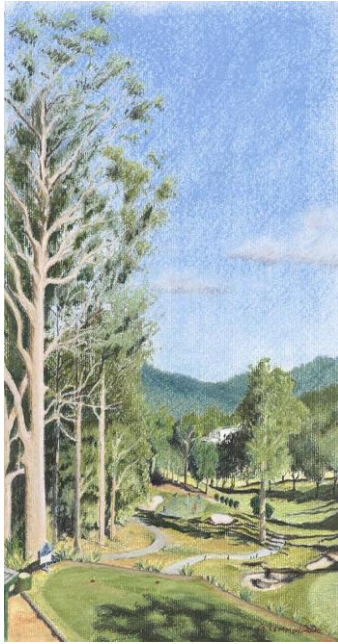

## **Bar Levy Review**

All golfing members of the Club (excluding Juniors) are charged a \$100 bar levy to be used at the bar before the end of the financial year (31 August). The aim of this levy is to encourage members to use the clubhouse facilities.

A recent review identified a number of members using the levy to purchase takeaway liquor which contradicts the aim of the levy.

Members are advised that effective immediately, the bar levy can only be used for products consumed at the Club (on course beverages are ok). The bar levy cannot be used to purchase takeaway liquor.

The bar levy can be used to purchase any product sold at the bar including coffee, softdrinks, snacks etc.

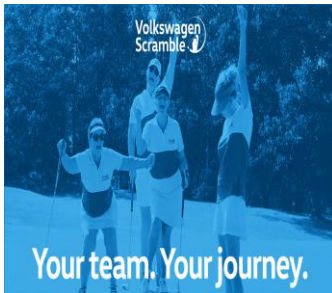

## New Raffle Fundraiser - 8th Hole Net

Geoffrey Lemmon (AGC Member and local artist) has donated original artwork (pictured) named "The 17th" to raise funds for the safety net to be erected on the 8th hole.

Raffle tickets are available from the bar and are \$5 each, 3 for \$10 or 8 for \$20.

The artwork is on display in the trophy cabinet at the Club entry, it's a magnificent piece and certainly worth a look. Big thank you to Geoff for his time and effort in producing this fantastic piece of art.

Tickets are on sale now with the draw to occur on Saturday the 31st of October.
